Brand New Book ***** Print on Demand *****.Excerpt from The Good and the Bad in the Roman Catholic Church I feel alternately admiration and disgust for the Roman Catholic Church. And if any man tells me that this is inconsistent, I answer that it is this very inconsistency which is alone consistent with truth. Human institutions are not wholly good or wholly bad. And he who praises or blames without discrimination is sure to be wrong. Protestants generally will not admit that there is any thing good in the Roman Church. They can never look at the Romish dogmas and worship as a Catholic does, even long enough to judge of them. To do so would almost require a transmigration of souls. I have tried to lay aside this prejudice as far as possible, and to look around with an impartial eye. I see enough of evil in this poor world to make me willing to recognize the least appearances of good. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
