Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.NEW REVISION! CORRECTED ERRORS! This short book is intended to provide the most basic introduction to an approach to Bible study that has been a great blessing in the life of the author. Additionally, Bible students that have studied the Bible together with Dr. Parker began asking for a basic written introduction to the approach taught in numerous Bible book study classes taught over many years. The foundations for this approach were gleaned under the teaching ministry of Rev. Frank Sells in the late 1970 s. The author also has a detailed Power Point presentation of this approach that he presents in churches as the Lord leads. This book cannot hope to fully present the preciousness of this approach to Bible study. It is merely an introduction.
