You can buy whatever furniture unit you need, and the options are great. However, I find it really magical when I finish a budget-friendly home project on my own, and then just sit and admire it. So, as I know that tiny home owners always need some easy ideas to help them live big in a small home, I made a collection of 15 projects that you can either do on your own or with a little help of a friend and freshen up your home. Plus, all these projects are budget-friendly, so they are even more amazing. The idea for the book came from my impression that the biggest challenge that people living in tiny houses face is a lack of storage space. You can t cram up all your possessions. Instead, your furniture items should have more than one function if...
