Brand New Book ***** Print on Demand *****.Excerpt from What the Dutch Have Done in the West of the United States In 1908 I offered a series of three prizes to the students and alumni of Hope College, at Holland, Michigan, for the most comprehensive essay on what the Dutch have done in the West of the United States: that is, west of the Allegheny Mountains, since their first emigration from the Netherlands until the present time. The judges awarded the first prize to the essay printed on the following pages. It was believed that it would be wise to permanently preserve the essay in type, since in no other convenient form can be found the facts herein given. This is the purpose of the present brochure.
