

Ethnography and the City: Readings on Doing Urban Fieldwork (The Metropolis and Modern Life)

Filesize: 7.02 MB

Reviews

This pdf may be worth acquiring. It is definitely simplified but surprises inside the fifty percent of the pdf. I am pleased to let you know that this is the very best ebook we have read inside my own lifestyle and could be the finest publication for ever.

ETHNOGRAPHY AND THE CITY: READINGS ON DOING URBAN FIELDWORK (THE METROPOLIS AND MODERN LIFE)

DOWNLOAD

Routledge, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Ethnography and the City is an invaluable book for readers fascinated by city life, and for anyone planning to conduct original ethnographic research will become an essential text. Sociologist Richard Ocejo, himself a talented urban ethnographer, offers readers an outstanding set of classic and contemporary urban ethnographic essays, with original introductions that brilliantly highlight the personal, theoretical, and ethical challenges of the urban ethnographer's science and craft." e" William Kornblum, Sociology, Chair, Center for Urban Research, Graduate Center, City University of New York "A strong, well-constructed volume of readings both classic and contemporary that will yield the careful reader great insight into the continued challenge of urban ethnography." e" Gerardo Marti, Sociology, Davidson College "This volume is a must-read for budding and seasoned urban ethnographers. Like no other reader, this collection of essays showcases four core themes that ethnographers must grapple with to successfully collect rich, compelling, and accurate data. For those teaching ethnography and qualitative methods, adding this volume to course readings will greatly enhance student mastery of this invaluable social science research method." e" Derek S. Hyra, Urban Affairs and Planning, Virginia Tech "Ethnography and the City is a unique pedagogical complement to traditional "how-to" guides. Instructors will find it practical because Ocejo has selected readings and written original essays that succinctly elucidate the core issues surrounding gaining access to a field site and managing relations with participants. Students will find it inspiring because Ocejo includes excerpts from a number of first-time ethnographers and even recounts his own initial immersion in the field." e" Colin Jerolmack, Sociology, Environmental Studies, New York University "Richard Ocejo's unique reader is invaluable for introducing students to the United States' rich tradition of urban ethnography. Drawing from both...
