Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Seventeen year old Summer is off to the 10K Olympic Trials! She s very excited that she even qualified! She thought the trials were going to be based on pool times alone, and then (much to her surprise) she ended up qualifying for the Grand Prix 10K (the qualifier for the trials) at the 5 mile double Waikiki swim, and when she swam Grand Prix she qualified for the trials! But all was not fun and games for Summer. She had problems with one of her college professors, and her coach and the college she was going to was way too controlling. Summer was a free spirit and the school her pool coach had helped her get into was just not working out for her. Summer has another adventure in Florida when she goes to the trials. This time the adventure involves a boy and an alligator, and Summer becomes a Floridian hero! (Or shall we say Floridian heroine?) Summer comes home only to be faced with more things that she doesn t need in her life right...
