If you look at a family album we will begin to get an idea of the events, which have occurred in the life of that particular family. John s Gospel gives a snapshot of Jesus life and the lives he changed. John s gospel tells the story of Jesus the saviour of the world who came in flesh to forgive sins. Simon Vibert invites us to come and see the lives Jesus changed. But all these characters that we meet are not the one that the people had been waiting for. Jesus was that one but all these characters were signposts that pointed to Jesus so that might cause us to respond. Ideal for individuals or small group studies.
