Brain Power Enrichment: Level One, Book One - Teacher Version Grades 4 to 6: A Workbook for the Development of Logical Reasoning, Critical Thinking, and Problem Solving Skills

By Reuven Rashkovsky

AuthorHouse. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 10.3in. x 8.2in. x 0.5in. Brain Power Enrichment Programs aim to develop problem-solving abilities in students who wish to improve their skills. Additionally, the programs may provide challenging, stimulating and inspirational learning experiences through engagement with problem solving for gifted students. The Student Version book accompanies a Level One student through his/her first semester of the problem solving program (or it may be used independently as a problem solving workbook). However, this Teacher Version may be used by a teacher or tutor as it has, in addition to the content of the Student Version, short instructions for each lesson as well as answers to problems. All Brain Power programs are based on a step-by-step approach, which enables students to understand problems of increasing complexity. Level One begins to equip students typically in grades 4 to 6 with various problem solving strategies and techniques, and supports the application of these skills to math, language arts, study habits and the general learning process. In Level One, students are introduced to four critical steps in problem solving: 1) Understanding the problem 2) Defining a plan or strategy 3) Solving the problem 4) Checking the answer....
