The best times of my life, the times that have passed by me the most quickly, were the times when the roses grew wild. The lessons that most enrich our lives often come unexpectedly. That's what Kate Bowman learns when she moves temporarily with her husband and baby son to her grandmother's Missouri farm. The family has given Kate the job of convincing Grandma Rose, who's become increasingly stubborn and forgetful, to move off her beloved land and into a nursing home. But Kate knows such a change would break her grandmother's heart. Just when Kate despairs of finding answers, she discovers her grandmother's journal. A beautiful handmade notebook, it is full of stories that celebrate the importance of family, friendship, and faith. Stories that make Kate see her life and her grandmother in a completely new way .
