Brand New Book ***** Print on Demand *****.Excerpt from Schulman s System of Garment Cutting: Coat and Vest Measure and Adjustable Trouser System, a Most Comprehensive Treatise on the Art and Science of Cutting Coats, Vests and Trousers Having thoroughly mastered the subject of designing, I have deemed it advisable to impart the valuable knowledge that I have gained through thirty-five years of study and experience. The many years I have devoted to designing and garment cutting, enables me to edit the most practical treatise ever published on the subject. In submitting this second edition, I desire respectfully to direct attention, that the entire work has been carefully revised and brought up-to-date. I have made a most careful study of the necessities of the student for drafting patterns for abnormal figures, and have imparted this information in concise, accurate and well defined terms. Moreover, in following my rules laid down, the student is enabled to cut any size or shape desired. This factor is essential and is one of my methods for making the student more practical. The compilation of a table of proportionate...
