AuthorHouse. Paperback. Book Condition: New. Paperback. 24 pages. Dimensions: 8.5in. x 8.5in. x 0.1in.Christina Geiser was talking to her Granddaughter, Lauren Reiff, about what she wanted to be when she grew up. She had several ideas, some really good ones too, but the only one she was most excited about was being an author. Well, what would you write if you became an author Christina asked. Lauren told Christina that she would write a story about where her cats, Sam and Lucky, would go if they could go on a vacation. It would be a story about a motel for cats and cats only. Lauren definitely thought that would be a good idea, since you open the door to a house, the cats usually try to run out. This would seem to mean they need a vacation. That weekend, Lauren and Christina sat down and Lauren started going through the ideas and thoughts of her cats vacation. The story started pouring out so fast, it was like the pictures just fell into place. Together Lauren and Christina created Meows-Key Motel and had a really great time. Your children or grandchildren will love the Meows-Key Motel designed just for cats. Just sit back, relax and read and youll see its the purrfect place. Toddler to kindergarten age will love this story. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
