He believes that all people wear masks, and their true nature is only revealed at moments of complete crisis. Being the opposite of Ayan, they complete as well as contradict each other, as best friends. Sara, oblivious of Ayan's love or his existence, believes that true love exists and awaits her. She is focused, intelligent, and an avid reader. A Thousand Love Letters is a new-age romance dedicated to all lovers whose love remains unacknowledged and forever a silent dream. Will Sara ever read Ayan's letters? Will they ever meet? Will Mezz give up his ideologies and embrace the risk of love for once? Printed Pages: 252.

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
