Aristocracy: A Very Short Introduction

By William Doyle

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Aristocracy: A Very Short Introduction, William Doyle, Aristocracies or nobilities dominated the social, economic, and institutional history of all European countries until only a few generations ago. Their outlook and behaviour affected the rest of society in innumerable and sometimes surprising ways, but perhaps most surprising was the way in which a centuries-old aristocratic hegemony crumbled away over the last two hundred years. In this Very Short Introduction William Doyle considers why this happened and what remains today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area.
