Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Roisin Kincade is a young, talented, full stack techie. Her mind is full of thoughts, ideas, film quotes and analogies. She knows and understands Flow, allowing herself to be in the zone when coding. That takes it out of her. Dropping out of Flow, as she did that night, means inattention. She is not a great fan of command lines, nor of systems admin, at the best of times. Finishing a long coding session she just had to do some minor file system tidying up. We have all done it, typed the wrong thing into the wrong window, deleted the wrong file, messaged the wrong person. This time she typed a Linux command in the wrong place. She missed the terminal window and managed to Tweet the World instead. She expected the public ridicule, the trolls and the bot responses, but she did not expect an automated Direct Message. Neither did she expect to spend the next few days using a game engine to help her talk to a new system. It seemed like she was hacking an...
