Career-Ology: The Art and Science of a Successful Career

By Jeff Chapski

London and White LLC, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Jeff Chapski asks new professionals a fundamental question: You've landed your first job after graduating from college, but do you have all of the necessary skills to be successful in your career? In Career-ology: The Art and Science of a Successful Career, Chapski identifies key skills and concepts necessary for success. He shares insightful and practical business wisdom and teaches the skills to launch and build a successful career. He offers experience-accelerating business advice those seeking to get ahead on the job. Chapski has coached and mentored hundreds of college students and recent graduates to succeed at work. He draws on more than two decades of experience working with industry leaders and start-up organizations in the financial services, consulting, and technology sectors. Whether you're starting out in banking, finance, management, consulting, accounting, law, sales, teaching, education, government, public service, science, the arts, politics, or nonprofits, this book will help you achieve success. It covers such essential subjects as organizational awareness, public speaking and presenting, business writing, sales and negotiating, personal branding, executive presence, business etiquette,...
