Reviews

It is one of my personal favorite books. This is certainly for anyone who states there has not been a book worth studying. I found out this ebook from my dad and he advised me to read it to learn.

Kensington Publishing. Paperback / softback. Book Condition: new. BRAND NEW, The Family Business, Carl Weber, Eric Pete, By day, the Duncans are an upstanding family who run a thriving car dealership in Queens. By night, they live a dangerous secret life. L.C. Duncan, patriarch of the family, is at the age when he's starting to think about retirement in sunny Florida. But the recession is taking a bite out of the business and, worrying more, he has to decide which of his children should take over. When his workaholic son Orlando gets the nod, Orlando's siblings--including the favorite son Vegas, conniving daughter London, glamorous party girl Paris and flamboyant nightclub owner Rio--are up in arms. But so are the Zunigas, a rival family whose fragile business alliance with the Duncans may explode at any moment. When Vegas suddenly breaks away from the family, London's lawyer husband, Harris, makes a play for the company and all hell breaks loose. Selling cars, it turns out, is only a small part of the Duncans' family business. Each member of the family has a secret expertise to reveal. And now, under siege from the Mafia, Mexican drug cartels and the Zunigas, the Duncans will have to stick together--or die separately.
