

Remembering Remus in Price Hill

By Julie Hotchkiss, Joyce Meyer

Price Hill Historical Society, United States, 2011. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Visitors to the Price Hill Historical Society and Museum often ask about one resident who made his home in Price Hill for less than five years. But what a home it was! Almost a century after George Remus ran one of the most extensive bootlegging operations in the country from Cincinnati's west side, his name still has the ability to conjure up images of a gilt-edged mansion with a sleek modern swimming pool and other Jazz Age excesses. Why is the story of George Remus so fascinating? He used legal loopholes in the Volstead Act to make a fortune selling whiskey during Prohibition, he was ruthless and acted swiftly to protect his own interests, but he was widely known as a generous man who never forgot a friend or a favor, and he really knew how to throw a party. George Remus, for a few golden years, lived Gatsby's dream-he was the King of the Bootleggers.

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
