Reviews

It is just one of my personal favorite book. I was able to comprehend every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Report of the President, Vol. 1: The Business of the Year To the Chairman and Trustees of the Carnegie Foundation for the Advancement of Teaching: In accordance with the by-laws, I present herewith the Ninth Annual Report of the President of the Foundation for the fiscal year ending September 30, 1914. The report is confined in the main to a statement of the current business of the Foundation, but includes also, as in previous years, papers dealing with specific educational problems. The field of medical education has received particular attention. The work of the small staff of the Foundation has during the past year been given almost exclusively to certain large continuing studies that have been undertaken thru the establishment of the Division of Educational Enquiry and the results of which will appear in separate bulletins. Of these studies the report on Education in Vermont has already been published. An account of this work, its reception by the public, and the action of the Vermont Educational Commission with regard to it, will be presented later. The other projects under way include a study of legal education, the enquiry into the methods of engineering education, and a study of the training of teachers. The progress made upon these studies and the methods pursued are discussed in the following pages. It is the policy of the trustees of the Foundation not to build up a large staffer to develop into a bureau. For this reason only a small number of men constitute the permanent staff of the Foundation. By the courtesy of various universities the Foundation finds it possible to arrange for a leave of absence for...
