Not illustrated. 1824 Excerpt: .intercourse with Rome becoming a political crime, that advantageous migration of improved arts from Italy was suddenly checked; and, with a short interval only and turbulent, during Mary s reign, the interdiction continued near a century. Meanwhile, however, the religious and political enmities did not operate to the total prevention of communication on arts and sciences. In Edward the sixth s reign the Roman orders of architecture were revived in London, in the magnificent residence built by the protector Somerset in the Strand. But unhappily the style of his building altogether was too defective to have or to deserve public favor. A manner of applying the columns of the Roman architecture advantageously, in private mansions, had not then been imagined, even in Italy. A style therefore, recommended by the genius of Holbein, a very imperfect improvement of the common Gothic of the continent, was no unsuccessful competitor with Somerset s imperfect Roman, for succession to the Plantagenet style; which the heightened minds of the times saw, with all its merits for church-building, little accommodated to the general objects of civil and domestic architecture. The result, amid the prejudice against everything Roman, and in the failure of an architect of observation and talent to command the public taste in a good course, was a style of building most barbarous, during the two long reigns of Elizabeth and James the first; while more very large private mansions were built, than in any equal period of our history....
