Reviews

This is actually the finest ebook i have study right up until now. I have got study and so i am confident that i will going to read through once again yet again in the foreseeable future. I am happy to inform you that this is the finest publication i have study inside my personal lifestyle and may be he very best pdf for possibly.

(Hobart Anderson II)

BRONZEWORERS IN THE ATHENIAN AGORA

American School of Classical Studies at Athens, United States, 1982. Paperback. Book Condition: New. Volume XX ed.. 206 x 145 mm. Language: English . Brand New Book. The prominence of the Temple of Hephaistos, Greek god of metalworkers, situated on a hill to the west of the Agora, reflects the esteem in which bronzeworkers were held by the Athenians. Although many of the objects these craftsmen produced have now been melted down, the statues, lamps, and vessels that remain testify to the high standards of their craftsmanship. As well as illustrating some of the surviving finished products, the author discusses the techniques used to cast bronze and the level of skill involved in producing complex metal statuary.
