Asswordpay Ogbooklay: The Password Journal Camouflaged in Pig Latin

By Glen Kilby

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.It s a smart idea to have a place where you can quickly access your passwords for your various Internet accounts. But why store these secrets in a book with cover that advertises to the world that it contains is your private log-in information? That s why we have cleverly disguised the cover of this Internet password organizer by writing Password Logbook in Pig Latin ! Sneaky, huh? So, by using this book, your vital information will be handy when you need it but it will remain a total secret . go ahead, leave it out, right next to your computer. Nobody will ever figure it out! Nobody would ever think of looking in here for your secret password info. Or maybe everyone over the age of 7 will (we learned Pig Latin in 3rd grade). Come to think of it, it would probably be better to file this organizational tool in a place that nobody else would look for it . like under S for secret or P for Pig Latin. Although the code on the cover...

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who statte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.
