Brand New Book ***** Print on Demand *****.You asked me to write to you often and to tell you in particular about the things I might see. You also begged me to rummage among my recollections of travels for some of those little anecdotes gathered from a chance peasant, from an innkeeper, from some strange traveling acquaintance, which remain as landmarks in the memory. With a landscape depicted in a few lines, and a little story told in a few sentences you think one can give the true characteristics of a country, make it living, visible, dramatic. I will try to do as you wish. I will, therefore, send you from time to time letters in which I will mention neither you nor myself, but only the landscape and the people who move about in it. And now I will begin.
