Brand New Book ***** Print on Demand *****.Encounter in Las Vegas By John M Evans The Mayan Empire's Long Count calendar ends on December 21, 2012, the same point in time when the earth and the solar system lines up with the center of the Milky Way galaxy. There are many prophecies that predict the end of life as we know it on that date. Other ancient texts say that thousands of years ago alien explorers visited earth and altered human civilization forever. The women were here as scouts to prepare for their space fleet's arrival in late December! Matt and Jack soon had to decide whether this was mankind's first actual alien encounter, or, was it the first meeting with alien invaders bent on subjugating...
