It is one of my favorite pdfs. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE HAPPY MANIFESTO: MAKE YOUR ORGANISATION A GREAT WORKPLACE

Kogan Page Ltd. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 7.7in. x 5.0in. x 0.6in. Imagine a workplace where people are energized and motivated by being in control of the work they do. Imagine they are trusted and given freedom, within clear guidelines, to decide how to achieve their results. Imagine they are valued according to the work they do, rather than the number of hours they spend at their desk. In too many organizations, management is broken. In one global survey just 21 per cent of staff reported that they are fully engaged at their workplace. As Professor Gary Hamel of London Business School commented, the other 79 per cent may be physically on the job, but they've left their enthusiasm and ingenuity at home. In the 1980s he helped set up a newspaper only to have it fail 6 weeks later due to poor management. They hired talented people but, inadvertently, created a working environment where it was almost impossible for these highly capable individuals to succeed. He came out of it determined to create a company that was both principled and effective, and a great place to work. That company is Happy Ltd. , a training business. His Happy Computers division trains people in desktop software, making learning about computers an involving and enjoyable experience. His Happy People division helps organizations create great workplaces based on the ideas outlined in this book. With fascinating anecdotes and useful advice, this book explains how to create an environment where people feel motivated to work and the financial benefits that come with a happy company culture. In The...
