on Demand *****.A group of multi-tasked contestants join a

competition to become the greatest forager of Japan s

Shirakami-Sanchi forest. What they don t know is that the

Shirakami-Sanchi forest is owned by assassin clans and corrupt

organizations called the Hideki Group and the Mori Group who

are looking to recruit winners to become assassins for them. The

owners hold a competition every year where participants must

hunt for each other s badges in the middle of a forest. In order

to pass the first round, winners must present one of three

badges: their own, their predator s or their prey s. Winners

presenting all three become the ultimate forager and complete

the competition without needing to fulfill any other rounds.

Contestants must make it to the top of the food chain in order to

win. Among them lurk recruits of two assassin clans, the Spider

Clan and the Mamushi Clan, battling each other for control over

the forest.

Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
