Filesize: 3.92 MB

Reviews

These sorts of pdf is the greatest publication readily available. It can be rally intriguing throgh looking at time. You can expect to like how the blogger publish this book.

(Prof. Eric Kivalis II)

HORSES THEIR FEED AND THEIR FEET, A MANUAL OF HORSE HYGIENE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Horses Their Feed and Their Feet, a Manual of Horse Hygiene Through many years acquaintance with the disorders of man and beast, I have learned the principal cause of abnormal conditions. To remove a cause is to provide the sovereign remedy. The medicine is no less worthy of confidence because costing absolutely nothing and always at hand. Instructions which are specially designed for the benefit of novices, will, of course, be recognized and, doubtless, approved of by the veterans who may chance to examine the work. Where the suggestions are evidently intended for the veterans themselves, being in direct opposition to prevailing practices, I trust that some will deem them at least worthy of consideration and trial. One object of this work is to recommend a reformed system of feeding, calculated to conserve vital force at points where it is often expended in the most destructive manner, viz.: the digestive and excretory systems. If the digestive organs become diseased, the excretories are certain to be overtaxed, since it is their office to eliminate the foul products of indigestion, as well as the normal waste of the organism. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
